Helping People Help Themselves Since 1917

# A LETTER FROM OUR *CEO*

Dear JFCS Supporters and Friends,

As I sat down to write this letter, I took a moment to look back over the last year. Although it's been difficult to watch our community and country struggle, and while we've grieved alongside the families who have lost loved ones due to this terrible virus, we have also had the privilege of seeing our community strengthened by people showing up with compassion, kindness, and generosity to help each other in their times of need.

Jewish Family & Community Services is considered an essential organization, so our doors have never completely closed. We've seen the worry in the eyes of those coming to us for food and financial assistance. We've heard the tremors in the voices of our seniors who are calling because they can no longer handle the isolation. And, we've comforted the children who have had to come into the foster care system when the pressures at home became too much for their parents to handle.

Thanks to you, our faithful donors, committed staff and concerned stakeholders, we've been able to meet the increased needs of our community. JFCS has adjusted how we serve, finding ways to stay connected virtually with those who are depending on us. We couldn't have done it alone. It took all of us and we did it together.

I wish you and your families comfort and health. Please remember JFCS is also here for you, so don't hesitate to reach out if there is a way we can support you.

Be well,

**Colleen Rodriguez**

CEO, Jewish Family & Community Services

# HERE FOR *Extraordinary Times*

Deployed a team of 22 caseworkers to **HELP PREVENT HOMELESSNESS FOR MORE THAN 1,300 FAMILIES BY DISTRIBUTING \$815,000 IN RENT, MORTGAGE AND UTILITIES ASSISTANCE** from Florida's First Coast Relief Fund, Bank of America and the Jewish Federation & Foundation of Northeast Florida.

Not since the Spanish Flu of 1918 has the United States faced a pandemic as overwhelming as COVID-19. JFCS was here for the community then, and responded to this year's crisis with flexibility, innovation and fiscal integrity in order to help thousands in need.

- During the COVID-19 pandemic, JFCS saw a 60 percent increase in visits to the Max Block Food Pantry. JFCS staff and volunteers changed food distribution to curbside pick-up to ensure the safety of all involved and served upwards of 90 families each week.
- In response to greater need due to the pandemic, JFCS volunteers delivered 385 frozen meals and groceries to Duval and Flagler County Holocaust survivors within four months.
- JFCS was able to adeptly shift many essential services – such as adoption proceedings, court sessions, mental health counseling, and family visitations – to virtual models to be able to continue helping families in need.

“I’m a 57 year old dental hygienist and this is the first time that I’ve needed to ask for help to pay my bills. I was losing hope and in fear of being evicted when I was notified that JFCS could provide up to \$1,200 in rental assistance. I’ve heard that miracles happen every day, but now I can say that I’ve experienced one. Thanks to JFCS I am still in my home and for that I am eternally grateful.”

– Jennifer, *Emergency Financial Assistance Client*

# HERE FOR *Those in Need*

JFCS was founded in 1917 to assist people in need of food and emergency shelter. Today, our agency is still changing lives by distributing federal, state and private funds to help Northeast Florida residents meet basic needs and get back on their feet. With generous donors and

volunteers like you, we not only prevented homelessness and hunger for a total of 9,899 people in 2019/2020, but also helped them achieve self-sufficiency, while preserving their dignity.

- JFCS was humbled and overwhelmed by the generosity of more than 400 volunteers, who sponsored 1,680 children and 50 Holocaust survivors for the holidays.
- JFCS worked with Baptist Health and Brooks Rehabilitation to provide financial assistance and resource support for 276 of their employees and launched a new, similar partnership with UF Health Foundation.
- JFCS and our amazing volunteers celebrated foster teen birthday celebrations for 40+ teens, some of whom had never had a birthday party before.
- More than 1,000 children and families shopped at the Fanny Landwirth Clothes Closet, which is available to foster children and the community at large.
